

Quinta do Ribeirinho Primeira Escolha 2008

Description:

This wine was produced with Baga grape (50%) born in chalky-clay soil and Touriga Nacional grape (50%) born in sandy soil, and fermented in stainless steel vats during 2 weeks under temperature control.

This wine will have a life superior to 10 years. During the first 5 years it presents the Touriga grapes' flavours, passing the next years being dominated by Baga grapes' flavours.

To be dished up with roasted fish in the oven or white meats.

Analysis:

Alcohol: 12,7%

Total acidity: 4,9gr/L
